About the festival

Moonlight Production has decided to establish the Bon Art Junior Fest starting in 2022. This festival brings together singers aged 10–16 from all over the world. The aim is to create a long-term project in the heart of Europe that will give young talents a chance to show what they can do. Another goal is to secure new participants from different parts of the world every year. **6 participants will compete for the Czech Republic at the final concert, who will then compete against singers from selected countries on 23/10/2024 at the Hybernia Theatre in Prague, accompanied by the Bon Art Pops Orchestra, for a prize of 4,000 euros.** All participants will sing a solo song and several joint songs and the jury will choose one winner.

Brief rules for 2024 finalists

From each entered/selected country outside the Czech Republic, 1-2 participants who meet the rules and conditions set by the organizer and producer will compete. In the event that a participant from these countries is selected and given the opportunity to represent their country – they will participate in the Bon Art Junior Fest, which will be held in its entirety from 18/10/2024 until 23/10/2023 and will end with a final concert, where these finalists will compete in front of a jury for a prize of **4,000 euros**.

Each finalist will sing one song of their choice accompanied by a symphony orchestra and a few common songs.
